INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Brethren Hillcrest Homes
La Verne, California

We have audited the accompanying financial statements of Brethren Hillcrest Homes (a California not-for-profit corporation), which comprise the statements of financial position as of June 30, 2014 and 2013, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

HANSEN HUNTER & CO. P.C.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Brethren Hillcrest Homes, as of June 30, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

BRETHREN HILLCREST HOMES

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – NATURE OF BUSINESS:

Brethren Hillcrest Homes (Hillcrest) was incorporated in 1947 as a California tax-exempt not-for-profit corporation, as described in Section 501(c)(3) of the Internal Revenue Code, to operate a continuing care retirement community. Accordingly, contributions to Hillcrest qualify as deductible charitable contributions for income tax purposes. Residents of the retirement community receive housing and related services, including health care, based on individual contracts which may include an entrance fee, monthly fee or a daily fee for services provided. The facility, which is located in La Verne, California, services approximately 400 residents.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Presentation - The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents - Hillcrest considers all highly liquid instruments, those with a maturity of three months or less at the time of purchase, to be cash equivalents, excluding assets whose use is limited. The carrying amount reported in the statements of financial position for cash and cash equivalents approximates fair value due to the short-term nature of these financial instruments.

Accounts Receivable - Bad debts are accounted for by the allowance method. Hillcrest estimates the allowance based upon its experience. The allowance for doubtful accounts was \$80,853 and \$51,334 at June 30, 2014 and 2013, respectively. Accounts receivable over 90 days old were \$192,510 and \$89,313 at June 30, 2014 and 2013, respectively.

Inventory Valuation - Inventory, which primarily consists of dietary, housekeeping and office supplies, is recorded at cost based on the first-in/first-out method.

Prepaid Bond Issue Costs – Hillcrest prepaid bond issue costs related to the issuance of new bonds during the year ended June 30, 2014. Once the bonds are issued, the prepaid bond issue costs will be amortized over the term of the bonds using the straight-line method.

Assets Whose Use is Limited - Assets whose use is limited consist of cash, money market funds, land and other investments. The use of the Revenue Certificates of Participation Bonds Series 2003A and 2003B assets are legally restricted per the Revenue Certificates of Participation. These assets are reported at fair market value.

Investments - Hillcrest considers its investments in marketable securities as available for sale, as they are not intended to be held to maturity, nor are they considered operating assets, and as such are carried at fair value. Donated investments are reported at fair value at the date of gift.

BRETHREN HILLCREST HOMES

NOTES TO FINANCIAL STATEMENTS

(Continued)

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Investments (continued) - Realized gains and losses on dispositions are based on the sale proceeds versus the carrying value of the securities sold. Unrealized gains and losses represent the net change in fair value of the securities and are recorded as an increase or decrease to net assets.

Investment income is recorded net of related fees of \$46,886 and \$45,262 for the years ended June 30, 2014 and 2013, respectively.

Amortization of Entrance Fees - Lump sum entrance fees are amortized to determine the amount of fees to be included in revenues, in the manner prescribed by the Revenue Recognition Topic of the FASB Accounting Standards Codification. The amount to be included is calculated by dividing the unamortized entrance fee by the current life expectancy of each resident and summing the results for all residents. The Life Expectancy Tables as published in Section 1792.6 of the State of California Continuing Care Contract Statutes are used in making the above computations. The unamortized portion is shown on the balance sheet as deferred revenue. Current year activity of the unamortized portion of entrance fees is summarized as follows:

	Years Ended June 30,	
	2014	2013
Balance, beginning of year	\$ 22,164,098	\$ 20,500,988
Sale of contracts	6,868,888	5,115,201
Refunds	-	(167,487)
Amortization of continuing care contracts	(4,240,138)	(3,416,129)
Contract conversion	-	131,525
	\$ 24,792,848	\$ 22,164,098

Non-Refundable Fees - Hillcrest is obligated to refund a portion of entrance fees to residents who withdraw before fifty months. If the resident withdraws within three months, the entire entrance fee is refunded. Contracts are refundable over fifty months, with the refundable amount reduced by 2.00% per month, less a 4% termination fee.

Repayable Contracts - Hillcrest has eight contracts under a repayable entrance fee program that are entitled to a refund of 50% or 90% of the total entrance fee, less a 4% termination fee, upon withdrawal or death after the unit is reoccupied.

The total liability for the repayable entrance fee contracts was \$1,340,962 and \$1,591,491 at June 30, 2014 and 2013, respectively.

Net Asset Classes - Hillcrest classifies its net assets into three categories: unrestricted, temporarily restricted and permanently restricted.

BRETHREN HILLCREST HOMES

NOTES TO FINANCIAL STATEMENTS

(Continued)

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Net Asset Classes (continued) - Unrestricted net assets generally result from revenues from providing services, receiving unrestricted contributions and receiving dividend and interest income, less expenses incurred in providing services, raising contributions, and performing administrative functions. The only limits on the use of unrestricted net assets are the broad limits resulting from Hillcrest's mission as defined in its articles of incorporation and bylaws.

Temporarily restricted net assets are limited by donors for specific purposes or the lapse of specified time periods.

Permanently restricted net assets have been restricted by donors to be maintained by Hillcrest in perpetuity.

Board Designated Amounts - Directors have designated certain unrestricted amounts for specific purposes. Amounts designated for operations and capital purposes were \$648,090 and \$591,125 at June 30, 2014 and 2013, respectively. Amounts designated for benevolent purposes were \$4,081,795 and \$3,735,829 at June 30, 2014 and 2013, respectively. Amounts designated for repayment of restricted net asset loans were \$574,484 and \$279,923 at June 30, 2014 and 2013, respectively. Inasmuch as these amounts have no donor restrictions, the Board may rescind the designation of these amounts at any time.

Net Patient Service Revenue - Hillcrest has agreements with third-party payors that provide for payments to Hillcrest at amounts different from its established rates. Payment arrangements include prospectively determined rates per discharge, reimbursed costs, discounted charges and per diem payments. Net patient service revenue is reported at the estimated net realizable amounts from patients, third-party payors and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payors. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined. Net resident revenues from Medicare were \$274,852 and \$424,318 for the years ended June 30, 2014 and 2013, respectively. Net resident revenues from Medi-Cal were \$1,250,746 and \$1,488,176 for the years ended June 30, 2014 and 2013, respectively. Upon audit by the State or Medicare, there is a possibility of adjustment to costs reimbursed.

Donor-Restricted Gifts - Unconditional promises to give cash and other assets are reported at fair value at the date the promise is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statement of operations as net assets released from restrictions.

Donated Services - Significant amounts of time from a number of people have been donated to Hillcrest. The accompanying financial statements do not reflect the value of those donated services as no reliable basis exists for reasonably determining the amounts involved.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Obligation to Provide Future Services - Annually, Hillcrest calculates the present value of the net cost of future services and use of facilities to be provided to current residents and compares that amount with the balance of deferred revenue from entrance fees. If the present value of the net cost of future services and use of facilities exceeds the deferred revenue from entrance fees, a liability is recorded (obligation to provide future services and use of facilities) with the corresponding charge to expense. For the years ended June 30, 2014 and 2013, the calculation resulted in no future service liability. The discount rate used was 6%.

Gift Annuities - Hillcrest sponsors a charitable gift annuity program as part of its fund raising activities. All amounts received in exchange for these annuity contracts are segregated for accounting and investment purposes. Management has interpreted the agreements to require investment of the entire contract amount until the annuitant dies. At the time of death of the annuitant, the residuum is distributed to the designated net asset class as specified by the annuitant at the time the agreement was issued. If no designation was made, the residuum is distributed to the unrestricted net asset class.

Gift annuity contracts are a general liability of Hillcrest and are not limited to the segregated assets. The actuarially determined liability is calculated annually and adjusted accordingly. The discount rate and actuarial assumptions used in calculating the annuity obligation are those provided in Internal Revenue Service guidelines and actuarial tables. As a qualifying not-for-profit corporation, Hillcrest is authorized by the State of California to issue gift annuity contracts and is accordingly subject to applicable State laws and regulations.

Financial Instruments - Hillcrest's financial instruments consist of accounts receivable, entrance fees receivable, interest receivable, deposits, assets whose use is limited, investments, accounts payable, accrued expenses, refundable deposits, prepaid residential fees, entrance fee refund payable, interest payable, long-term debt, annuities payable and repayable entrance fees. It is management's opinion that Hillcrest is not exposed to significant interest rate or credit risk arising from these instruments. Unless otherwise noted, the fair value of these financial instruments approximates their carrying values.

Concentration of Credit Risk - Hillcrest is a continuing care retirement community whose only campus is located in La Verne, California. Hillcrest charges monthly fees, on an unsecured basis, to its residents.

Hillcrest has reserve funds, comprised of cash and equivalents and investments, located in various institutions. At times, the amount on deposit in some of the institutions exceeds the federally-insured limit.

Advertising - Advertising and marketing costs are charged to expense at the time they are incurred. Total advertising expense was \$207,952 and \$155,154 for the years ended June 30, 2014 and 2013, respectively.

Functional Expenses - The expenses of Hillcrest are presented according to their functional classification in the accompanying Statements of Unrestricted Revenues, Expenses and Other Changes in Unrestricted Net Assets. Fundraising expense was \$287,647 and \$269,532 for the years ended June 30, 2014 and 2013, respectively.

NOTE 5 – PROPERTY, PLANT AND EQUIPMENT:

Acquisitions greater than \$500 and with an expected life of one year or more are capitalized at cost. When property is donated, it is valued at fair value at the date of the gift. Interest paid during the construction period of an asset is capitalized.

Depreciation is computed on the straight-line basis over estimated useful lives as follows:

Buildings and improvements	Principally 25 to 40 years
Equipment and vehicles	Principally 3 to 20 years

NOTE 6 – FAIR VALUE OF FINANCIAL INSTRUMENTS:

Hillcrest has adopted the requirements of the Fair Value Measurements and Disclosure Topic of the FASB Accounting Standards Codification. This Topic defines fair value and requires enhanced disclosure about assets and liabilities carried at fair value. These additional disclosures are required only for financial assets and liabilities measured at fair value and for nonfinancial assets and liabilities measured at fair value on a recurring basis.

This Topic requires that a fair value measurement reflect the assumptions market participants would use in pricing an asset or liability based on the best available information. These assumptions include risks inherent in a particular valuation technique (such as a pricing model) and the risks inherent in the inputs to the model. It also specifies that transaction costs should not be considered in the determination of fair value. According to this Topic, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price).

This Topic establishes a fair value hierarchy that prioritizes the inputs used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy defined by this Topic are as follows:

Level 1 – Quoted prices are available in active markets for identical assets or liabilities as of the reporting date. Active markets are those in which transactions for the asset or liability occur in sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2 – Pricing inputs are observable, either directly or indirectly, but are not quoted prices included within Level 1. Level 2 includes those financial instruments that are valued using external inputs with models or other valuation methodologies.

BRETHREN HILLCREST HOMES

NOTES TO FINANCIAL STATEMENTS

(Continued)

NOTE 6 – FAIR VALUE OF FINANCIAL INSTRUMENTS (continued):

Level 3 – Pricing inputs include significant inputs that are generally less observable from objective sources. These inputs may be used with internally developed methodologies that result in management’s best estimate of fair value. Level 3 instruments include those that may be more structured or otherwise tailored to customers’ needs.

As required by this Topic, financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

The fair value of financial assets and liabilities measured on a recurring basis as of June 30 are as follows:

Liabilities measured at fair value on a recurring basis using significant unobservable inputs, Level 3 measurements, consist of the following:

	<u>Annuity payment liability</u>
Balance at June 30, 2012	\$ 1,362,159
New annuities	163,839
Payments made to annuitants	(199,945)

Net change in present value of annuities	<u>131,112</u>
Balance at June 30, 2014	\$ <u>1,353,728</u>

Financial assets valued using Level 1 inputs are based on unadjusted quoted market prices within active markets. Assets valued using Level 2 inputs are based on appraisals. Fair value for Level 3 assets is determined by the estimated equity value at year end. The fair value for Level 3 liabilities is determined by calculating the present value of cash flows expected to be paid out, using various discount rates and life expectancy tables.

NOTE 7 – PREPAID RESIDENTIAL FEES:

Hillcrest offers private pay residents the option to prepay monthly fees at a discounted rate. The options include prepaying the monthly fees for one year at a 2% discount or prepaying the monthly fees for six months at a 1% discount. This discount program was discontinued after 2012, however, certain residents elected to prepay their residential fees. As of June 30, 2014 and 2013, there was a balance of \$151,000 and \$235,512 in prepaid residential fees, respectively.

NOTE 8 – LONG TERM BOND DEBT:

On January 1, 2003, Hillcrest issued \$47,000,000 Revenue Certificates of Participation bonds. The Certificates were payable beginning February 15, 2007, with annual payments scheduled through February 15, 2033. Interest is payable semi-annually on August 15 and February 15, at interest rates ranging from 3.125% to 6.625%. The debt consists of six Serial Certificates which mature annually from February 15, 2007 to February 15, 2012. The interest rate is different for each Serial Certificate and ranges from 3.125% to 4.350%. There are two Term Certificates, one at the interest rate of 6.625% and one at 5.600% maturing February 15, 2025 and February 15, 2033, respectively. Each of the Term Certificates requires annual prepayments from sinking fund accounts starting February 15, 2013 through 2025 and from February 15, 2025 through 2033, respectively.

No Certificates are subject to optional prepayment prior to February 15, 2013. The Term Certificates maturing after February 15, 2013 are subject to mandatory prepayment from sinking funds prior to their stated Certificate Payment Date, as disclosed in the Official Statement. The Certificates will be prepaid at 100% of the principal amount of the Certificates called for prepayment, plus accrued interest with respect to the date fixed for prepayment. Non-scheduled prepayments during February 15, 2013 through February 15, 2014 will be priced at 101% and non-scheduled prepayments during February 15, 2014 through February 15, 2015 will be priced at 100.5%. There is no premium for non-scheduled redemptions after February 15, 2015.

The Certificates are secured by a pledge of Hillcrest's gross revenues, and further secured by a first deed of trust on a portion of Hillcrest's facilities, including real property.

Hillcrest has secured an investment grade rating from Standard & Poor's Rating Services of "BB" for the entire facility. The sale agreement requires Hillcrest to comply with various covenants, conditions and restrictions.

NOTE 8 – LONG TERM BOND DEBT (continued):

On July 10, 2014, Hillcrest refinanced the Certificates with new bonds (Series 2014) in the amount of \$38,660,000. The Series 2014 bonds are payable beginning May 15, 2015, with annual payments scheduled through May 15, 2036. Principal payments range from \$930,000 to \$2,790,000. Interest is payable beginning November 15, 2014, and semi-annually thereafter on May 15 and November 15, at interest rates ranging from 2% to 5%. The following table sets forth the principal amounts required to be made available at the principal payment date, or by mandatory prepayment, with respect to the Series 2014 bonds:

Years ending	Interest Rates	Principal
<u>June 30:</u>		
2015	2%	\$ 930,000
2016	3%	1,115,000
2017	3%	1,150,000
2018	4%	1,185,000
2019	4%	1,230,000
Thereafter	5%	<u>33,050,000</u>
		<u>\$ 38,660,000</u>

Hillcrest has two covenants connected to their \$47,000,000 bond issue. A Debt Service Coverage Ratio of 1.30 is required at the end of each fiscal year. This covenant has been met.

The second covenant, a Days Cash On Hand covenant, requires 150 days of Cash on Hand each June 30 and December 31 until February 15, 2033. This covenant has been met.

NOTE 9 – OTHER LONG-TERM LIABILITY:

On June 8, 1998, Hillcrest entered into an agreement with the City of La Verne involving the cost of certain roadway improvements made to “B” Street, which runs along the eastern side of Hillcrest. The City of La Verne contributed \$82,117 of improvement costs to Hillcrest. Rather than requiring Hillcrest to pay cash to the City, the parties agreed that Hillcrest would set aside six residential units for “very low-income housing” for a term of 15 years per unit or a combination of very low-income housing and three lower-income housing units for every two very low-income housing units not occupied. Hillcrest has recorded the cost in fixed assets, and established a corresponding liability which is amortized over the 15 year term.

During the year ended June 30, 2008, Hillcrest and the City of La Verne agreed to extend this agreement. The City contributed an additional \$296,000 for improvements to Benton Street, and Hillcrest has set aside the agreed-upon units for an additional 15 years beyond the original agreement.

NOTE 12 – DONOR-DESIGNATED ENDOWMENTS:

Hillcrest’s endowments consist of the Benevolence and Good Samaritan endowments established to provide assistance to residents. The endowments include donor restricted funds. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The board of Trustees of Hillcrest has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, Hillcrest classifies as permanently restricted net assets the original value of gifts donated to the permanent endowment and the original value of subsequent gifts to the permanent endowment. The policy of the board is that all investment income from the endowment funds are available for unrestricted assistance to residents. In accordance with UPMIFA, Hillcrest considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of Hillcrest and (7) Hillcrest’s investment policy.

Hillcrest has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that Hillcrest must hold in perpetuity or for a donor-specified period.

Endowment net asset composition by type of fund as of June 30, 2014, is as follows:

	<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total Net Endowment Assets</u>

NOTE 13 – LEASE INCOME:

Hillcrest purchased approximately nine acres of open land in December 2001 for \$2,069,350. The land was originally leased to a nursery, pursuant to a lease dated July 9, 1998. The lease expired on July 1, 2013, and was operating on a month-to-month basis through March 31, 2014, with monthly payments of \$2,179.

On April 1, 2014, a new lease agreement was entered in to with Pacific Southwest District of the Church of the Brethren. The land will be leased under a three year term with monthly payments of \$1,800. The amounts of lease revenue received in connection with the leases for the years ended June 30, 2014 and 2013 were \$26,148 and \$25,632, respectively. Future minimum lease payments are as follows:

Years Ended June 30,	Amount
2015	\$ 21,600
2016	21,600
2017	<u>16,200</u>
Total	\$ <u> 59,400</u>

NOTE 14 – PENSION AND ANNUITY PLANS:

Hillcrest provides a pension plan for employees under Section 403(b) of the Internal Revenue Code. All full-time employees are eligible to participate however, an employee must be 21 years of age and have been employed for one year in order to receive employer contributions. Employees may voluntarily contribute a portion of their salary to the plan, subject to certain limitations. Hillcrest contributed 3% on behalf of each eligible employee for the years ended June 30, 2014 and 2013. Hillcrest's total cost for this pension plan was \$200,479 and \$191,338 for the years ended June 30, 2014 and 2013, respectively.

NOTE 15 – RELATED PARTIES:

Hillcrest purchased general and professional liability insurance for premiums of \$188,008 and \$189,631 for the years ended June 30, 2014 and 2013, respectively. The insurance was purchased from an insurance company of which Hillcrest is a shareholder. At June 30, 2014 and 2013, Hillcrest's investment was \$293,274 and \$252,160, respectively. This amount is included in investments at the estimated equity value at year end.

Hillcrest purchased workers' compensation insurance for premiums of \$566,904 and \$510,606 for the years ended June 30, 2014 and 2013, respectively. The insurance was purchased through a group self-insurance program of which Hillcrest is a member. The group insurance program is governed by the California Department of Industrial Relations. A Hillcrest officer is a member of its Audit Committee.

NOTE 16 – CHARITY CARE:

Hillcrest maintains records to identify and monitor the level of charity care it provides. These records indicate the difference between Hillcrest's customary charge and the rate paid by Medi-Cal or Supplemental Security Income (SSI), as well as charity care for residents. Residents' charity care is supported through Benevolence donations and earnings on endowment resources.

The following information measures the level of voluntary charity care provided for the years ended June 30, 2014 and 2013:

	Years ended June 30,

NOTE 17 – COMMITMENTS:

Since July 30, 2008, Hillcrest has been party to an operating lease for a telephone system, which includes insurance and maintenance. During the year ended June 30, 2014, the lease expired and was renewed through November 15, 2014. At the end of the lease term, Hillcrest may renew the lease for an additional three years at 50% of the previous month's lease cost, or purchase the equipment at the fair market value. Amounts paid for the years ended June 30, 2014 and 2013 were \$79,132 and \$99,168, respectively. Minimum lease payments are as follows:

<u>Year Ended June 30,</u>	<u>Amount</u>
2015	\$ <u>27,008</u>
Total	\$ <u>27,008</u>

NOTE 18 – CONTINGENCY:

Hillcrest is subject to various claims for damages that arise in the normal course of business. All claims have been referred to Hillcrest's insurance carrier and are in various stages of investigation, discovery or pretrial. In management's opinion, although the outcomes of these claims are unknown at this time, any losses that may occur would be covered by Hillcrest's insurance company, and therefore, should not have a material impact on Hillcrest's financial position or activities.

The health care industry is subject to numerous laws and regulations of federal, state and local governments. These laws and regulations relate to, among other things, matters such as licensure, accreditation, and government health care program participation requirements, regulations regarding reimbursement for patient services and regulations regarding Medicare and Medi-Cal billing, fraud and abuse. Government agencies are actively conducting investigations concerning possible violations of statutes and regulations by health care providers, which could result in expulsion from government health care programs, together with the imposition of fines and penalties, as well as significant repayments for patient services previously billed. Management believes that Hillcrest is in compliance with the fraud and abuse regulations, as well as other applicable government laws and regulations. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as regulatory actions unknown or unasserted at this time.

NOTE 19 – MARKET VALUE ADJUSTMENT OF LAND:

Hillcrest holds land for investment in the endowment and specific purpose funds. The land was appraised in 2014 and 2013, at \$2,850,000 and \$3,500,000, respectively. The change in the appraised value of the land resulted in a \$650,000 unrealized loss and an \$800,000 unrealized gain on the statement of activities for the years ended June 30, 2014 and 2013, respectively. The land is carried at the appraised value in assets whose use is limited.

NOTE 20 – SUBSEQUENT EVENTS:

On July 10, 2014, Hillcrest refinanced its bonds with new bonds in the amount of \$38,660,000. The new bonds are payable beginning May 15, 2015, with annual payments scheduled through May 15, 2036. Principal payments range from \$930,000 to \$2,790,000. Interest is payable beginning November 15, 2014, and semi-annually thereafter on May 15 and November 15, at interest rates ranging from 2% to 5%.

On August 4, 2014, Hillcrest purchased property for a price of \$250,000.

Hillcrest did not have any other subsequent events through September 24, 2014, which is the date the financial statements were issued, requiring recording or disclosure in the financial statements for the year ended June 30, 2014.

Independent Auditors' Report on Additional Information

To the Board of Directors
Brethren Hillcrest Homes
La Verne, California

We have audited the financial statements of Brethren Hillcrest Homes (a California not-for-profit corporation) as of and for the years ended June 30, 2014 and 2013, and have issued our report thereon dated September 24, 2014, which contained an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole. The additional information is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of Brethren Hillcrest Homes' management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Brethren Hillcrest Homes
La Verne, California

We have audited the accompanying continuing care reserve report (the "Reports") of Brethren Hillcrest Homes (the "Company") as of June 30, 2014. The Reports have been prepared by management using the report preparation provisions of California Health and Safety Code Section 1792.

Management's Responsibility

Management is responsible for the preparation and fair presentation of the Reports in accordance with the requirements of California Health and Safety Code Section 1792; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of Reports that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the Reports based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform an audit to obtain reasonable assurance about whether the reports are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Reports. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Reports, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the Reports in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Reports.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the Reports present fairly, in all material respects, the liquid reserve requirements of the Company as of June 30, 2014, in conformity with the report preparation provisions of California Health and Safety Code Section 1792.

HANSEN HUNTER & CO. P.C.

Certified Public Accountants

Basis of Accounting

The accompanying Reports were prepared in accordance with the report preparation provisions of California Health and Safety Code Section 1792, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The Reports are not intended to be a complete presentation of the Company's assets, liabilities, revenues and expenses. Our opinion is not modified with respect to this matter.

Restriction on Use

Our report is intended solely for the information and use of the Company and for filing with the California Department of Social Services and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.

Note 1 to the Continuing Care Reserve Report (Part 5)

The continuing care reserve report included in Part 5 has been prepared in accordance with the report preparation provisions of the California Health and Welfare Code (the Code), Section 1792.

Section 1792 of the Code indicates that the Organization should maintain at all times qualifying assets as a liquid reserve in an amount that equals or exceeds the sum of the following:'

- The amount the provider is required to hold as a debt service reserve under Section 1792.3.
- The amount the provider must hold as an operating expense reserve under Section 1792.4.

In accordance with the Code, the Organization has computed its liquid reserve requirement as of June 30, 2014, the Organizations' most recent fiscal year end, and the reserve is based on audited financial statements for that period.

FORM 7-1
REPORT ON CCRC MONTHLY SERVICE FEES

	<u>RESIDENTIAL LIVING</u>	<u>ASSISTED LIVING</u>	<u>SKILLED NURSING</u>
[1] Monthly Service Fees at beginning of reporting period: (indicate range, if applicable)	\$1,550 - \$4,284	\$3,240 - \$6,434	\$6,844 - \$8,273
[2] Indicate percentage of increase in fees imposed during reporting period: (indicate range, if applicable)	0-2%	2%	2%

Check here if monthly service fees at this community were not increased during the Reporting period. (If you checked this box, please skip down to the bottom of this form and specify the names of the provider and community.)

[3] Indicate the date the fee increase was implemented: July 1, 2013
(If more than 1 increase was implemented, indicate the dates for each increase.)

[4] Check each of the appropriate boxes:

- Each fee increase is based on the provider's projected costs, prior year per capita costs, and economic indicators.
- All affected residents were given written notice of this fee increase at least 30 days prior to its implementation.
- At least 30 days prior to the increase in monthly service fees, the designated representative of the provider convened a meeting that all residents were invited to attend.
- At the meeting with residents, the provider discussed and explained the reasons for the increase, the basis for determining the amount of the increase, and the data used for calculating the increase.
- The provider provided residents with at least 14 days advance notice of each meeting held to discuss the fee increases.
- The governing body of the provider, or the designated representative of the provider posted the notice of, and the agenda for, the meeting in a conspicuous place in the community at least 14 days prior to the meeting.

[5] On an attached page, provide a concise explanation for the increase in monthly service fees including the amount of the increase

FORM 7-1 *Explanations for Adjustments in Monthly Fees*

▪ Summary of Documents Used in Determining Rate Adjustment

Resident fee increases are only arrived at after reviewing projected costs, prior year per capita costs, and economic conditions. Each of our 24 departments begins by analyzing their current status. Reviewing what their expenditures for the current year have been versus their budget and what their scheduled costs will be for the remainder of the current year. These costs and projections re reviewed with management before any work is done on next year's budget. Known trends, such as the effect of raw material costs, consumer price indexes, future market prices, etc. are used in analyzing and forecasting the remaining months of the current year.

A zero based budget is then used to identify all of the components of the coming year. The first cost each department has to grapple with is labor which comprises over 60% of the total budget. Compiling labor with the remaining department projected costs becomes the forecasted budget.

Revenue is also reviewed for the current year to date, and projected for the remaining months of the current year. Revenue includes turnover, expansion and fee increases. Again, economic indicators including the consumer price index, cost of living adjustments proposed for social security and other indicators of revenue affecting current and future residents are all reviewed and analyzed. Revenue is projected for the balance of the current year before next year's budget is formulated.

Combining projected costs with anticipated revenue while meeting economic indicators for performance are all factors which we employ when proposing a fee change. Fee increases and budget projections of costs after being analyzed by management are reviewed by the Finance Committee, the Board, Resident Association, and an open forum with residents, with each resident individually by letter of notification, in a second public meeting with interested residents and in private meetings as requested.

All providers are required by Health and Safety Code section 1789.1 to provide this report to prospective residents before executing a deposit agreement or continuing care contract, or receiving any payment. Many communities are part of multi-facility operations which may influence financial reporting. Consumers are encouraged to ask questions of the continuing care retirement community that they are considering and to seek advice from professional advisors.
