Report on Financial Statements

We have audited the accompanying financial statements and the related notes to the financial statements of Hollenbeck Palms (the Palms) as of June 30, 2014 and 2013 and for the years then ended, as listed in the accompanying table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

HOLLENBECK PALMS

NOTES TO FINANCIAL STATEMENTS For The Years Ended June 30, 2014 and 2013

NOTE 1 - MISSION STATEMENT:

The Palms is committed to providing a residence for those in the later years of their lives that encompasses a healthy environment of comfort, safety, and enjoyment; that attends to their physical, mental, and spiritual needs; and that is quick to respond to and assist in those needs whether immediate or long term, and to do so with great compassion, honesty, dignity, and genuine love.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Operations - The Palms, incorporated as a California nonprofit public benefit corporation, owns and operates a retirement community and skilled nursing facility in Los Angeles, California. Residents receive residence, services, and care under three plans, as more fully described below. The facilities include approximately 145 residential units and 106 skilled nursing beds. As of June 30, 2014 and 2013, total number of residents was 219 and 216, respectively.

The Palms fulfills the need for housing by providing residential facilities that are specifically designed to meet the physical, recreational, social, and similar needs of its residents. The residents' need for health care is provided for in the Palms' skilled nursing care units and through the Palms' ongoing relationship with a network of physicians, health care professionals, and local hospitals.

The residents' need for financial security is satisfied by the Palms' operational policy of providing its residents lifetime care at the lowest possible cost. The residents' need for financial security is further fulfilled by the Palms' policy of maintaining lifetime care for residents who become unable to pay the regular monthly fee.

Earnings of the Palms are used to improve the care provided and subsidize any residents unable to continue making monthly service fee payments. No part of the Palms' net earnings inures, directly or indirectly, to the benefit of any private shareholder or individual.

Basis of Presentation - The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles of the United States. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Palms and changes therein are classified and reported as follows:

Unrestricted Net Assets: Net assets not subject to donor-imposed stipulations. The Board has designated unrestricted net assets, as explained in Note 3.

Temporarily Restricted Net Assets: Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Palms and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

HOLLENBECK PALMS

NOTES TO FINANCIAL STATEMENTS For The Years Ended June 30, 2014 and 2013

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (continued)

Basis of Presentation (continued) - Permanently Restricted Net Assets: Net assets subject to donor-imposed stipulations that they be maintained permanently by the Palms. Generally, the donors of these assets permit the Palms to use all or part of the income earned on any related investments for general or specific purposes.

Additional information on temporarily and permanently restricted net assets is provided in Note 11.

Reclassifications - Prior period financial statement footnote amounts have been reclassified to conform to current period presentation.

Member Care Plans and Assigned Assets - The Palms charges for resident care under three plans. Under Plan A, new residents assign their assets to the Palms upon admission. Noncash assets such as investments and real estate, assigned by new residents, are recorded at their fair market value at the date received. A predetermined amount of the assigned assets is designated as entrance fees. The entrance fee is amortized to income using the straight-line method of 2% per month or amortized over the member's life expectancy, whichever is shorter, commencing with the fourth month of residence.

As care is provided to the residents, the remaining assets are amortized to income at prevailing rates for the residential section or for the nursing unit, as applicable. Upon the expiration of a Plan A resident, an amount equal to assets assigned, less accumulated care costs, is transferred from deferred income to other gain as a resident contribution. Such resident contributions were \$268,442 for 2014 and \$2,324,595 for 2013. Assigned assets receivable were \$0 for both June 30, 2014 and 2013. Assigned assets were \$6,929,952 and \$7,553,077 as of June 30, 2014 and 2013, respectively.

Under Plan B, a resident pays an entrance fee, which is amortized to income using the straight-line method of 2% per month or amortized over the member's life expectancy, whichever is shorter, and a monthly fee based on the prevailing rate for care costs. The Palms also offers a Plan C, under which a resident would pay an initial processing fee and a significantly larger monthly fee as opposed to paying an entrance fee.

Rates under all plans are adjusted by the Board of Trustees as the cost of providing care fluctuates. Under both Plans A and B, when members fully deplete their assigned assets, the Palms will absorb their cost of care by reducing rates to the amount of state and federal public aid available. For 2014 and 2013, charity care, which is based on estimated cost per day in excess of service fees received, amounted to \$875,084 and \$941,133, respectively.

HOLLENBECK PALMS

NOTES TO FINANCIAL STATEMENTS For The Years Ended June 30, 2014 and 2013

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (continued)

Entrance Fees - Fees paid by a resident upon entering into a continuing care retirement community contract, net of estimated future refunds, are recorded as deferred revenue, and are amortized to income using the methods described above. Under resident contracts, the full amount of entrance fees is refundable if a resident leaves the Palms within the first 90 days after entering; otherwise, the remaining unamortized entrance fees and unexpended assigned assets are refunded if a resident leaves. Unamortized entrance fees totaled \$3,928,237 and \$4,099,030 as of June 30, 2014 and 2013, respectively.

Management believes the estimated amount of entrance fees that are expected to be refunded to current residents under the terms of these contracts and based on previous attrition experience is not material and, as such, no provision for the liability has been reported.

Entrance fee receivables are recorded when residents entering into a continuing care retirement community do not have sufficient liquid assets to cover the entrance fee. Entrance fees receivable were \$0 and \$315,550 as of June 30, 2014 and 2013, respectively. Based on previous experience, management does not expect to incur any significant uncollectible amounts, therefore, an allowance for uncollectible amounts has not been reported.

Resident Services Fees - Resident services fees are recorded net of a provision for contractual allowances. The contractual allowance represents the difference between established rates and per-diem reimbursement. In addition, resident services fees are recorded net of bad debt expense.

Members' Interest - Residents have the option of opening a member's savings account with the Palms. Residents are able to make deposits and withdrawals from their savings accounts as needed. At the resident's request, payments for various bills and charges at the Palms may be paid by the Palms from the member's savings accounts. The Palms invests the funds deposited and pays members an established interest rate of 3% of the net amount (assigned assets and savings balance less accumulated charges). The calculated interest is recorded as members' interest expense and is included in assigned assets, net, in the statement of financial position and in members' interest in the statement of activities.

Obligation to Provide Future Services - The Palms calculates the present value of the net cost of future services and use of facilities to be provided to current residents ("estimated obligation") and compares that amount with the balance of deferred revenue from entrance fees. If the estimated obligation exceeds the deferred revenue from entrance fees, a liability is recorded with the corresponding charge to income. As of June 30, 2014 and 2013, the estimated obligation is less than the balance of deferred revenue from entrance fees. The obligation is calculated assuming a 4% inflation rate and a 4% discount rate for June 30, 2014 and 2013, respectively.

HOLLENBECK PALMS

NOTES TO FINANCIAL STATEMENTS For The Years Ended June 30, 2014 and 2013

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (continued)

Tax Status - The Palms is a not-for-profit corporation and is exempt from federal income taxes under Section 501(a) of the Internal Revenue Code and is exempt from California franchise taxes Section 23701d of the California Revenue and Taxation Code. The Palms is described in Section 501(c)(3) of the Internal Revenue Code and is listed in Internal Revenue Service Publication 78 as a charitable organization qualified to receive donations. The Palms maintains its tax-exempt status through devoting its resources to meet the primary needs of aged persons. These needs are for housing, health care, and financial security.

Income Taxes - The Palms has evaluated its tax positions and the certainty as to whether those positions will be sustained in the event of an audit by taxing authorities at the federal and state levels. The primary tax positions evaluated are related to the Palm's continued qualification as a tax-exempt organization and whether there are unrelated business income activities conducted that would be taxable. Management has determined that all income tax positions are more likely than not (>50%) of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required.

The Palms files informational returns in the U.S. federal jurisdiction and the state of California. The statute of limitations for federal and California state purposes is generally three and four years, respectively.

Cash and Cash Equivalents - The Palms considers all highly liquid debt investments with a remaining maturity of three months or less at the time of purchase to be cash equivalents. Accounts with greater than three month's maturity are included with investments. The Palms holds deposits in excess of Federal Deposit Insurance Corporation ("FDIC") limits. At June 30, 2014 and 2013 respectively, uninsured, uncollateralized deposits were \$822,808 and \$264,509. The Palms also holds deposits with a brokerage firm in excess of Securities Investor Protection Corporation ("SIPC") limits. At June 30, 2014 and 2013 respectively, unsecured brokerage deposits were \$2,628,812 and \$2,603,235. These deposits are held by creditworthy, high-quality financial institutions.

Donor-Restricted Contributions - The Palms reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statements of activities as released from restrictions. No temporarily restricted net assets were released from restrictions during the fiscal years ended June 30, 2014 and June 30, 2013. Donor-restricted contributions whose restrictions are met within the same year as received are reflected as unrestricted contributions. Temporarily restricted net assets are composed of unexpended restricted contributions received. Gifts permanently restricted by the donor, such as endowments whereby the donor has prohibited the use of the corpus, are recorded as permanently restricted net assets.

NOTES TO FINANCIAL STATEMENTS For The Years Ended June 30, 2014 and 2013

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (continued)

Investments - The Palms' investment policy is to adhere to high standards of quality in the selection of all types of investments, with reasonable diversification to be maintained at all times. Specifically, the Palms' policy prohibits investments in derivative financial instruments. Marketable securities are primarily managed by an independent investment manager and held by independent custodial banks.

Investments principally consist of stocks, bonds, and bank deposits. The fair value of investments is based on current trading values. Interest, dividends, and realized gains and losses are included in investment income. The cost of securities sold is based on the specific-identification method.

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying balance sheets.

Property and Equipment - Property and equipment are stated at cost if purchased or at fair value on the date received if donated, less accumulated depreciation. Routine maintenance and repairs are charged to expense as incurred. Depreciation is computed on the straight-line method, based on the following estimated useful lives:

Buildings and improvements	10-40 years
Equipment	3-7 years
Vehicles	5 years

Professional Liability Insurance Coverage - The Palms purchases professional liability insurance under an occurrence-basis policy with a nominal deductible.

Self-Insurance - The Palms is self-insured for claims under the California Unemployment Insurance Code. Such claims are paid when approved by the Palms. The amounts of such claims were \$5,365 and \$3,030 in 2014 and 2013, respectively.

Allocations of Expenses - The costs of providing various programs and other activities have been summarized on a departmental basis in the statements of activities. Certain costs have been allocated among the programs and supporting services benefited in Note 13.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (continued)

Subsequent Events - The Palms has evaluated subsequent events through September 25, 2014, which is the date these financial statements were available to be issued. On July 17, 2014, the Palms issued \$10,000,000 in bonds for construction projects. The bonds have a 4.58% fixed rate of interest, and are scheduled to be fully paid as of February 1, 2044. Total debt service payments, including principal and interest, are scheduled to be \$18,864,317. There were no other subsequent events requiring recognition or disclosure.

NOTE 3 - CASH RESTRICTIONS, DESIGNATIONS AND RESERVATIONS:

Cash and cash equivalents at June 30, 2014 includes \$26,321 temporarily restricted for life care membership purposes, \$998,826 board designated for future building and asset replacement purposes, \$720,256 board designated for debt service payments, and \$1,626,704 in bond debt service reserves required as a condition of the bond issue to be used in the event of a principal or interest payment deficiency.

Cash and cash equivalents at June 30, 2013 includes \$15,086 temporarily restricted for life care membership purposes, \$187,312 board designated for future building and asset replacement purposes, \$748,945 designated by the board for debt service payments, and \$1,626,716 in bond debt service reserves required as a condition of the bond issue to be used in the event of a principal or interest payment deficiency.

NOTE 4 - PLEDGES RECEIVABLE:

Pledges receivable expected to be received in one year or less are recorded at net realizable value, which approximates fair market value. Pledges receivable have been discounted to present value using a discount rate of 1.62%. An allowance for uncollectable amounts has not been recorded based on management's assessment of the donors' creditworthiness. At June 30, the Palms had unconditional promises to give expected to be received in the following periods:

	<u>2014</u>	<u>2013</u>
In one year or less	\$ 331,667	\$ 221,667
Between one and five years	1,201,667	881,667

NOTE 5 - INVESTMENTS:

Investments in equity and debt securities are reported at fair value in the statement of financial position. Gains and losses on investments are reported in the statement of activities as increases or decreases in unrestricted net assets unless their use is temporarily or permanently restricted by explicit donor stipulations or by law. Investments in equity and debt securities traded on national securities exchanges are valued at the closing price on the last business day of the fiscal year; equity and debt securities traded on the over-the-counter market are valued at the last reported bid price.

For fair value measurements a disclosure presentation, levels 1 through 3 have been assigned to the fair value measurement of investments. The fair value measurement is determined as follows:

Level 1 – quoted prices in an active market for identical assets.

Level 2 – quoted prices for similar assets and market-corroborated inputs.

Level 3 – the organizations' own assumptions about market participation, including assumptions about risk, developed based on the best information available in the circumstances.

The composition of investments at June 30, 2014 and 2013 is as follows:

	<u>2014</u>	<u>2013</u>
Stocks (Level 1)	\$ 35,031,012	\$ 34,707,428

NOTE 7 - RETIREMENT PLANS:

Effective January 1, 2009 the Retirement Plan for the Employees of Hollenbeck Palms (the Plan) was amended. The amendment changed the noncontributory traditional Defined Benefit Plan to a noncontributory Cash Balance Pension Plan (CBPP). The Plan is subject to the provisions of the Employees Retirement Income Security Act of 1974 (ERISA). Participants over 50 years of age with at least 15 years of service as of January 1, 2009 were grandfathered. This sub-group of grandfathered participants will receive a Special Annual Accrual contribution which is determined using the traditional Defined Benefit Plan formula. Active participants who are not a part of the sub-group will receive contribution credits equal to 5% of their annual salary along with interest at the 30 year Treasury Bond Rate, imputed on their beginning balance. In addition, all Plan participants are credited with their present value of accrued benefit under the traditional Defined Benefit Plan.

For benefits accrued prior to January 1, 2009, a participant's interest becomes fully vested after completion of five years of service. For benefits accrued on or after January 1, 2009, a participant's interest becomes fully vested after completion of three years of service.

As of January 1, 2009 the Plan has been frozen and there will be no new entrants.

NOTE 7 - RETIREMENT PLANS: (continued)

The Palms has established a separate qualified trust, under IRC Section 401 for the Plan. The assets of the Plan may only be distributed to plan participants, and therefore, they are not included in these financial statements. Plan assets are invested in cash and debt and equity securities whose values are subject to fluctuations of the securities markets. Changes in these values attributable to the differences between actual and assumed returns on plan assets are defined as unrecognized gains or losses and are included in the determination of the net pension expense over time.

The Palms uses a June 30 measurement date for its plan.

A summary of the plan, amounts reflected in the statements of financial position, and the components of net periodic pension cost as of the date of the latest valuation is as follows:

	2014	2013
Change in benefit obligation:		
Benefit obligation - beginning of year	\$ 7,087,322	\$ 7,194,962

Accumulated Benefit Obligation

The accumulated benefit obligation for the Palms was \$7,279,393 and \$7,087,322 at June 30, 2014 and 2013, respectively. Accounting principles generally accepted in the United States of America require the recognition of an additional liability in the amount of the unfunded accumulated benefit obligation, with an equal amount to be recognized as an intangible asset, provided that the asset recognized shall not exceed the amount of unrecognized prior service cost and unrecognized transition obligation. Any additional amounts are charged to unrestricted net assets.

NOTE 7 - RETIREMENT PLANS: (continued)

Accumulated Benefit Obligation (continued)

Weighted-average assumptions used to determine benefit obligations at June 30, 2014 and 2013, are as follows:

	<u>2014</u>	<u>2013</u>
Discount rate (on benefit obligations)	4.50%	4.75%
Expected long-term rate of return on plan assets	7.25%	7.25%
Rate of compensation increase	3.00%	3.00%

Weighted-average assumptions used to determine net periodic pension cost at June 30, 2014 and 2013, are as follows:

	<u>2014</u>	<u>2013</u>
Discount rate (on net periodic costs)	4.75%	4.75%
Expected long-term rate of return on plan assets	7.25%	7.25%
Rate of compensation increase	3.00%	3.00%

The Palms employs a vigorous process to determine the estimates of expected long-term rate of return on assets. The estimates are primarily driven by actual historical asset-class returns and advice from external actuarial firms while incorporating specific assets-class risk factors, such as the variation of the annual rate of return as compared to the average expected rate of return.

The Plan invests primarily in asset categories with sufficient size, liquidity, and cost efficiency to permit investments of reasonable size. The Plan invests in asset categories that provide diversification benefits and are easily measured. Maximum and minimum holding ranges for each of these asset categories are set by the Board of Trustees. The current target allocations for cash management, equity, and fixed income are 5%, 60%, and 35%, respectively. Actual asset allocation within these approved ranges is based on a variety of economic and market conditions and consideration of specific asset category risk. To assess the Plan's investment performance, a long-term asset allocation policy benchmark has been established.

Contributions

The Palms expects to contribute to the Plan the ERISA recommended amount of \$550,000 in the next year.

Estimated Future Benefit Payments

The estimated future benefit payments are as follows:

Years beginning July 1,	
2015	\$ 567,284
2016	472,498
2017	436,565
2018	484,536
2019	408,182
2020-2024	2,555,361

Amount Expected to be Recognized in Net Periodic Benefit Costs

The estimated net actuarial loss that will be amortized from changes in unrestricted net assets into net periodic benefit cost in the year ended June 30, 2014 is \$18,297.

Deferred Compensation Plan

On September 1, 2005, a nonqualified deferred compensation plan covering management or highly compensated employees as defined by ERISA was adopted by the Board of Trustees. This plan is not intended to be a qualified plan under Section 401(a) of the IRC, but is referred to as an 'eligible plan' pursuant to Section 457(b) of the IRC. The expense associated with this 457(b) plan was \$50,820 and \$47,837 in 2014 and 2013, respectively. The contributions to this plan are set aside in a grantor trust, but remain subject to the claims of creditors until distributed to the participants or beneficiaries.

401(k) Plan

The Palms has a 401(k) defined contribution plan, which covers employees with one year of service and who work at least 1,000 hours per year. The Palms contributes 10% of each employee's contributions. Employer contributions for the years ended June 30, 2014 and 2013, were \$22,639 and \$22,038, respectively.

NOTE 8 - CONTINGENCIES:

Workers' Compensation Self-Insurance

Effective December 12, 2002, the Palms entered into a contractual agreement to form Guardian Comp, Inc., which, through its risk-sharing provisions, provides insurance coverage for workers' compensation liability exposure. Guardian Comp, Inc. is a multi-organization insurance company for long-term care organizations incorporated under the laws of the state of California.

Guardian Comp, Inc. provides occurrence-based insurance coverage using a combination of self-insured retentions and excess commercial insurance coverage. Guardian Comp, Inc. has engaged the services of a professional actuarial consultant for the determination of premiums to be assessed to participants under the plan coverage. As a self-insurance administrator, Guardian Comp, Inc. enables risk sharing among participating long-term care organizations. The participants are required to pay assessed premiums. Insurance expense under the Guardian Comp, Inc. amounting to approximately \$461,967 and \$421,876 in 2014 and 2013, respectively.

Litigation

The Palms is, from time to time, subject to litigation and claims arising in the normal course of business. In the opinion of management, the ultimate resolution of legal proceedings will not have a material adverse effect on the Palms' financial statements.

NOTE 9 - LONG TERM DEBT:

On February 16, 2007, the Palms issued \$28,000,000 of Revenue Bonds to finance construction of the Magnolia Court project. The Bonds are payable beginning February 1, 2010, with annual payments scheduled through February 1, 2037. One sixth of the amount of interest due on the succeeding interest payment date plus one twelfth of the principal due on the succeeding principal payment date shall be paid by the last business day on or prior to the 20th of each month to the Trustee. Interest rates range from 4.15% to 5.59%.

In February 2009, the Palms extinguished \$3,000,000 of the bond debt, realizing a gain of \$1,019,982. In August 2010, the Palms extinguished \$400,000 of the bonded debt prior to debt maturity of February 2011, realizing a gain of \$17,994.

A Reserve Fund was established in the amount of \$1,769,630 to make any principal and interest payments if a shortage occurs in the required payments. As a result of the redemption, the reserve was reduced to \$1,626,635. The balances as of June 30, 2014 and 2013 have increased by interest earned and adjusted for changes in fair value.

NOTE 9 - LONG TERM DEBT: (continued)

The Bonds are secured by an insurance policy issued by Radian Asset Assurance, Inc. The bonds are further secured by the Magnolia Court project and the existing facilities, assignment of rents, and a security agreement. The sale agreement requires the Palms to comply with various covenants, conditions and restrictions.

The following table sets forth the amounts required to be made available at the principal payment date, for the payment of interest with respect to the Bonds and for the principal due, interest and total payments with respect to the Bonds:

Debt Service Due Fiscal Year Ended	Principal Account Payments Due Within Fiscal Year	Interest Components Due Within Year	Fiscal Total Payments
2015	\$ 605,000	\$ 1,010,794	\$ 1,615,794
2016	635,000	984,201	1,619,201
2017	665,000	957,849	1,622,849
2018	695,000	929,919	1,624,919
2019	720,000	900,381	1,620,381
Thereafter	<u>19,100,000</u>	<u>9,447,760</u>	<u>28,547,760</u>
Totals	<u>\$ 22,420,000</u>	<u>\$ 14,230,904</u>	<u>\$ 36,650,904</u>

The fair value of bonds payable with fixed interest rates is based on rates assumed to be currently available for bond issues with similar terms and average maturities (level 2 fair value measurements). The estimated fair value of these bonds payable at June 30, 2014 and 2013 approximated \$20,282,409 and \$19,960,893, respectively. The carrying amounts of these bonds payable at June 30, 2014 and 2013 were \$22,420,000 and \$22,995,000, respectively.

NOTE 10 - REDEVELOPMENT PLAN OBLIGATION (AB 1169 Disclosure):

The bonded debt issuance of \$28,000,000 was primarily designated for the Magnolia Court project, which was completed in 2009. This and other master plan projects are designed to meet the needs of the organization by providing additional housing and facilities for residents, which is consistent with the Palms' tax exempt status. As of June 30, 2014, \$24,690,346 had been expended for construction costs, \$1,683,019 had been expended to pay bond issuance costs and \$5,580,000 had been expended to retire debt. A balance of \$1,626,704, including additional interest income, remains for future debt service payments. In addition, as of June 30, 2014, the Board had designated \$720,256 of unrestricted net assets for future debt service.

NOTE 11 - ENDOWMENT RESTRICTED ASSETS:

The Palms' endowment consists of funds established to provide life care membership for seniors whose limited resources prevent their entry into the Palms without such assistance.

Interpretation of Relevant Law

The Board of Trustees of the Palms follows the Uniform Prudent Management of Institutional Funds Act (UPMIFA) in determining the fair value of the donor-restricted endowment fund absent explicit donor stipulations. As a result, the Palms classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Palms in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Palms considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the organization and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the organization
- (7) The investment policies of the organization.

Endowment Composition and Changes in Endowment Net Assets

Endowment net asset composition by type of fund as of June 30, 2014 and 2013 consisted of donor-restricted endowment funds; temporarily restricted subject to purpose restrictions of \$3,294,067 and \$2,195,094, respectively, and permanently restricted by explicit donor stipulation of \$773,323. Changes in endowment net assets are reported in the statement of activities as temporarily restricted or permanently restricted activities as appropriate.

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Palms to retain as a fund of perpetual duration. In accordance with GAAP, deficiencies of this nature are reported in unrestricted net assets when applicable. There were no such deficiencies as of June 30, 2014 or 2013.

HOLLENBECK PALMS

NOTES TO FINANCIAL STATEMENTS For The Years Ended June 30, 2014 and 2013

NOTE 11 - ENDOWMENT RESTRICTED ASSETS: (continued)

Return Objectives, Risk Parameters and Strategies Employed for Achieving Objectives

The Palms has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to the program supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Palms must hold in perpetuity. Under this policy, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to preserve and protect the assets by earning an appropriate return on the investments.

Spending Policy

The Palms has established a formal spending policy. Appropriations will be made only from accumulated investment earnings maintained as temporarily restricted net assets based on residents' financial needs. Endowment principal (permanently restricted net assets) will not be invaded for any purpose. As such, the Board of Trustees considers all relevant factors annually in determining the amount appropriated for expenditures. This is consistent with the Palms' objective to maintain the purchasing power of the endowment assets held in perpetuity as well as to provide additional real growth through investment return.

NOTE 12 - PATIENT SERVICE REVENUE:

A substantial portion of the Palms' revenue for health care services is provided on behalf of patients under Medi-Cal and Medicare programs. The major sources of revenue are as follows:

	<u>2014</u>	<u>2013</u>
Patient service revenue:		
Medi-Cal program	\$ 4,589,724	\$ 3,905,844
Medicare program	2,731,078	2,593,227
Other	3,514,381	3,999,014

Other	(88,524)	(107,108)
Total bad debt expense	<u>(239,603)</u>	<u>(256,614)</u>
Net patient service revenue	<u>\$ 7,075,677</u>	<u>\$ 7,803,819</u>

For the years ended June 30, 2014 and 2013, the Palms derived 30% of its patient service revenue from Medi-Cal, and 24% and 22%, respectively, from Medicare, respectively. The aggregate amount due from Medi-Cal and Medicare at June 30, 2014 and 2013, is \$1,371,043 and \$1,495,078, respectively.

Funds received from the Medi-Cal and Medicare programs are subject to governmental audit, which could result in retroactive adjustments. At this time, management is not aware of any ongoing or pending audits.

INDEPENDENT AUDITORS' REPORT

Board of Trustees
Hollenbeck Palms

We have audited the accompanying continuing care reserve report ("Reports") of Hollenbeck Palms, a California Not-For-Profit Corporation, (the "Organization") as of the year ended June 30, 2014. These Reports are the responsibility of the Organization's management. Our responsibility is to express an opinion on the Reports based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Reports are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the Reports, assessing the accounting principles used and significant estimates made by the Organization's management, as well as evaluating the overall presentation of the Reports. We believe that our audit provides a reasonable basis for our opinion.

The accompanying Reports were prepared for the purpose of complying with California Health and Safety Code Section 1792 and are not intended to be a complete presentation of the Organization's assets, liabilities, revenues and expenses.

In our opinion, the Reports present fairly, in all material respects, the liquid reserve requirements of the Organization as of June 30, 2014, in conformity with the report preparation provisions of California Health and Safety Code Section 1792.

This report is intended solely for the use of the Organization and for filing with the California Department of Social Services and is not intended to be and should not be used for any other purpose. However, this report is a matter of public record and its distribution is not limited.

Check here if monthly service fee at this community were not increased during the reporting period.
(If you checked this box, please skip down to the bottom of this form and specify the names of the provider and community)

(3) Indicate the date the fee increase was implemented: July 1, 2014
(If more than 1 increase was implemented, indicate the dates for each increase.)

(4) Check each of the appropriate boxes:

Each fee increase is based on the provider's projected costs, prior year per capita costs, and economic indicators.

All affected residents were given written notice of this fee increase at least 30 days prior to its implementation.

At least 30 days prior to the increase in monthly service fees, the designated representative of the provider convened a meeting that all residents were invited to attend.

At the meeting with residents, the provider discussed and explained the reasons for the increase, the basis for determining the amount of the increase, and the data used for calculating the increase.

The provider provided residents with at least 14 days advance notice of each meeting held to discuss the fee increases.

The governing body of the provider, or the designated representative of the provider posted the notice of, and the agenda for, the meeting in a conspicuous place in the community at least 14 days prior to the meeting.

(5) On an attached page, provide a concise explanation for the increase in monthly service fees including the amount of the increase.

METHODOLOGY USED TO CALCULATE ADJUSTMENTS IN MONTHLY CARE FEES

Monthly care fees are adjusted annually in connection with the preparation of the Revenue and Expense Budget for the coming fiscal year. In addition to analyzing actual results from prior fiscal years and the first 10 months of the current fiscal year, U.S. Financial Data obtained through reports from the St. Louis Federal Reserve Bank is considered. This data would specially include information from the Producer Price Index and the Employment Cost Index. The data from the U.S. Department of Labor dealing with wage rates is also included in the budget process. Monthly care fees are adjusted according to the conclusions drawn based on the information obtained.

The California Statewide Communities Development Authority issued Revenue bonds in February 2007 for the purpose of financing the construction of Magnolia Court, a 32 unit RCFE building, in Hollenbeck Palms. The underwriter is Citigroup Global Markets Inc. and the guarantor is Radian Asset Assurance Inc. The bond funds were loaned to Hollenbeck Palms pursuant to a loan agreement between the California Statewide Community Development Authority, Hollenbeck Palms, and Wells Fargo Bank, the Trustee. The funds are held in a designated fund by Wells Fargo Bank, the Trustee. The Department of Social Services approved the project on September 13, 2006.

As of June 30, 2009, the Magnolia Court construction project was completed.

The amount of \$1,617,937 on page 9 line 1 of the annual reserve certification is the actual interest paid for the bonds during the fiscal year ending 06/30/2014. The amount of interest has been added to our reserve amount.

HOLLENBECK PALMS

NOTES TO CONTINUING CARE RESERVE REPORT SCHEDULES AS OF AND FOR THE YEAR ENDED JUNE 30, 2014

1. MISSION STATEMENT

Hollenbeck Palms (the “Palms”) is committed to providing a means of residence for those in the later years of their lives that encompasses a healthily environment of comfort, safety, and enjoyment; that attends to their physical, mental, and spiritual needs; and that is quick to respond to and assist in those needs whether immediate or long term, and to do so with great compassion, honesty, dignity, and genuine love. The Palms is recognized by the Internal Revenue Service as a not-for-profit corporation as described in Section 501(c) (3) of the Internal Revenue Code (“IRC”) and is exempt from federal income taxes pursuant to Section 501(a) of the IRC.

2. OPERATIONS

Operations –The Palms is incorporated as a California nonprofit public benefit corporation, and owns and operates a retirement community and skilled nursing facility in Los Angeles, California. Residents receive residence, services and care under two plans. The facilities include approximately 145 residential units and 106 skilled nursing beds.

The Palms fulfills the need for housing by providing residential facilities that are specifically designed to meet the physical, recreational, social and similar needs of its residents. The residents’ need for health care is provided for in the Palms’ skilled nursing care units and through the Palms’ ongoing relationship with a network of physicians, health care professionals, and local hospitals.

The residents’ need for financial security is satisfied by the Palms’ operational policy providing its residents lifetime care at the lowest possible cost. The residents’ need for financial security is further fulfilled by the Palms’ policy of maintaining lifetime care for residents who become unable to pay the regular monthly fee.

Earnings of the Palms are used to improve the care provided and subsidize any residents unable to continue making monthly service fee payments. No part of the Palms’ net earning inures, directly or indirectly, to the benefit of any private shareholder or individual.

3. CONTINUING CARE RESERVE REPORT SCHEDULES

Basis of Presentation –California Health and Safety Code Section 1792 requires continuing care contract providers to establish and maintain statutory and refund reserves to ensure financial resources will be available to fulfill contractual obligations to residents. The continuing care reserve report schedules (the “Schedules”), which calculate reserve requirements, are prepared in accordance with the Annual Reserve Report Instructions provided by the State of California Department of Social Services. The Schedules are required to be submitted annually to the California Department of Social Services within four months of year-end.

4. EVIDENCE OF FIDELITY BOND

The Palms is in compliance with the fidelity bond requirement through their commercial crime insurance policy purchased through a commercial insurance carrier.
